Date: Sunday 18<sup>th</sup> October 2020

Dear Parent,

I am saddened to inform you we have been advised that there has been a confirmed case of COVID-19 within our Pre-School Community.

We have carried out a full risk assessment and identified all those who have been in close contact with the affected case and have recommended that they stay at home and self-isolate until 14 days after their last contact. We have taken advice from Cheshire East and the Public Health Team Advisors.

Your child has **not** been identified as a close contact and therefore does not need to make any change to their usual routine, **including school attendance. Pre-School is able to remain open.**

The most common symptoms of COVID-19 are recent onset of a new continuous cough and/or a high temperature and/or a loss of, or change in, normal sense of taste or smell (anosmia). If your child, or anyone in your household, develops these symptoms, your whole household must remain at home and not go to work, school or public areas. You should arrange testing for the person who has developed symptoms. When the result is known further advice will be available.

Testing can be arranged by calling 119 or via the NHS website: [nhs.uk/coronavirus](https://nhs.uk/coronavirus)

## How to stop COVID-19 spreading

There are things we can all do to help reduce the risk of you and anyone you live with getting ill with COVID-19:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home

- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

### **Further information**

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Thank you for your support since we started back in September and during these difficult weeks. We will keep you updated. Keep safe.

Yours sincerely,

*E J Byrne*

Headteacher
