Dear Parents and Carers,

With just 4 weeks left of the term there seems to be still so much to do.

Briefly, the Y6 transition day to Alsager School will go ahead as planned on Wed 23 June. This means we can hold transition sessions in school where our children can 'shuffle up' to Septembers class for the morning in readiness and meet their teacher. Pre-School children will have additional sessions leading up to the summer to ensure all children attending on different days do not miss out! Exciting times!

Holy Communion will be on Saturday 26 June for those children who have been preparing for the Sacrament. Y6 are preparing a leavers assembly for the end of term and we aim to have an audience (limited to Y6 parents only) but will require two performances to keep numbers at a 'guidance safe' minimum. We are desperately trying to give the children a positive end to the summer this year!

With the newsletter this week we are also sending out pictures sent into school of your efforts when doing the 5K in May event. So far it has brought in **£555** which is amazing, a really wonderful effort and a great way to involve all of the family. Thank you for all of your support!

E J Byrne

**MAJOR ROADWORKS ON WELL LANE** – Well this didn't happen! We haven't been informed either as to when it may occur. If we do find out, we will let you know as soon as possible.

## **Covid-19 Operational Guidance**

All advice to us as a school is to remain cautious. Therefore, we still operate bubbles in school keeping all classes apart till the end of term at least. We will continue with all current procedures in place until further notice.
