## Year 2 Science Homework Pets' Needs

For your homework this week, we would like you to find out about the basic needs of pets in the home. You can either write about your own pet or, with your parent's/guardian's permission, interview a relative or friend about their pet.

What kind of pet do you or your relative/friend have?

Does this pet need a special home, type of shelter or bed? Can you describe it? Draw a picture if you want.

What other equipment does this pet need to keep them happy and healthy?

What food and drink does this animal need?

How often do they need to be fed?

Does this pet need exercise or entertainment? Explain.

Draw a picture of the pet or stick a photo below.

What else do all pets need to make sure they are happy and healthy.
