Volume 9 Issue 17

Dear Parents and Carers,

You will know by now our visitors have been and gone this week looking at all aspects of school life and organisation. Thank you to everyone that supported the inspectors, completed the surveys for them, and found time to talk to them outside too. They were all much appreciated! As a school community we are blessed with committed staff, children, parents, and governors that allow us to shine.

We now have to wait for the final report but hopefully we will receive notification to publish the outcome before the end of term and know where we stand. Thank you for your time this week and continuing support.

Supporting Alsager Foodbank

With

'The 1 tin challenge'

If every pupil were to bring, 1 tin each week for the remaining weeks of the term, we would have over a 1000 tins to donate. It is a big challenge, but not unachievable!

I was informed ninety-seven children were supported last month with food parcels for families. Let us make a difference, I know we can!

Anything you can offer is gratefully accepted. Just drop items into reception.

Thank you!

CAR PARK/Roof Works: Phase 4 works have completed. Hurray! The cabins, skip and scaffolding should all be taken away by the end of next week, meaning the staff car park will free up further space on the allotment car park. Thank you for persevering!

MOVIE NIGHT:

What a wonderful success. Thank you to all parents that kindly donated snack items for the evening which were just wonderful. The children were so well behaved and really enjoyed the film 'Inside Out.' Thank you.
