

Coming soon to your Classroom!

HOOKED ON BOOKS

Let's create a buzz about books!

Build up your class library and find new authors and books to read to get you hooked on books.

Every half-term, each class will be able to choose a new class library

book to share and enjoy.

Your class will need to decide how to choose the book they want.

Will you vote? Will you follow a recommendation from organisations like *Booktrust* or *Books for Topics*? Will you let your teacher decide?

Start getting excited about books – who knows where they might take you?
